In the Know: Navigating Family Child Care Licensing Roads & Rules – Cyndi Cunningham
Empower yourself to be a more effective and confident licensed provider. Explore the licensing system for DHS, county licensing units and licensors. Discover how to clearly navigate licensing rules and laws. Strengthen your understanding of the Family Child Care Licensing system and recognize how to navigate it. (KCF VI, CDA 6)

Learning Through Imitation and Emotions* – Karla Scapanski
Examine the value of imitation and determine how personal connections can enhance emotional development. Based on the curriculum owned by the Institute of Learning & Brain Science out of the University of Washington, recognize how school-readiness begins at birth. Identify how infants learn through best practices and face-to-face interactions. (KCF 11C, CDA 3)
